

ST. BEDE DANCE ENSEMBLE

Join the 18th year of Dance and Movement

Cheers to a wonderful 2012

We have had a wonderful first semester of dance. Moving forward, we begin to develop our spring recital. This year, I plan to base the performance on a story. Annete Ricchiazzi (the new drama teacher) and I are looking at ways that we might collaborate on this. It's very exciting! Classes will continue after our Spring Dance Concert as well. Thank you for the gift of teaching your children, Grete Gryzwana
